Greetings:

I am an Attorney at Law of New Jersey in good standing and request that I be appointed as a CATIC Title Insurance Company (CATICO) New Jersey Approved Attorney for Closing Protection Letter issuance. I am actively engaged in real estate practice and I work with the above named CATICO agent. I anticipate acting as the "Settlement Service Provider" for future CATICO insured transactions.

I am not presently nor have I ever been on any title insurance underwriter disapproved list. I have never been subject to discipline because of an attorney ethics complaint. I have not been a party to litigation nor am I aware of any title claims resulting from any act or omission.

A copy of the declaration page of my attorney's professional liability insurance policy is attached. I understand that I must maintain attorney's professional liability insurance while I am a CATICO Approved Attorney and that CATICO shall be searching public records in making its determination to approve this request.
